SEASONAL A LA CARTE FLORALS | JULY–OCTOBER

At Black Creek Flower Farm we are passionate about flowers and believe that nothing adds freshness and colour to a wedding or special event like flowers do. We look to nature and the changing seasons to inspire our designs, as well as the overall look and feel you want to achieve for your event.
We pride ourselves in growing high-quality, beautiful blooms and hand-picking the perfect blooms for you, to create unique and beautiful designs for your event.

We offer wedding flowers July through October only, when our fields are full and we can prioritize flowers grown right here on our farm, along with blooms from trusted local flower-farm friends. When needed, we may supplement with carefully sourced flowers to complete your design.

At Black Creek Flower Farm we offer A La Carte florals, and DIY Designer Buckets custom tailored for your event — growing and designing with the season... and delivering flowers that feel natural, romantic, and effortlessly you.

Stunning, Fresh & Beautiful. Inspired by the seasons and grown right on our farm.
